At Christmas we celebrate something that is very joyful. Many of us have been privileged to experience the joy of a child being born. Despite all the difficulties there is nothing like that joyful experience. However, the celebration of the birth of the child Jesus brings with it a special kind of joy greater than that. It is the joy of a new birth and the joy of welcoming someone who is going to make a great difference in the lives of all humanity.

During the holiday period, we can try to reflect on one story of how Jesus brought joy to someone. Using this as an example, we may be able to bring joy to someone we know or just meet through a kind word; a kind action or a donation towards a hamper for the poor.

Catherine tells us that proof of love is deed. List a number of small ways you can demonstrate your love for someone close to you. Make a similar list of simple deeds by which you can reflect God’s love for a neighbour, a school friend or a co-worker. Choose items from your list and put them into practice.

Prayer

God of Joy, help me live fully one day at a time appreciating the moments of joy that cross my path throughout the ordinary experiences of each day. Teach me to share my joy with others.

Amen.

FROM THE PRINCIPAL

Dear Parents/Guardians, Students, Staff and Friends,

The Student Theme chosen for this year “Empowering all with belief, hope and passion” has been an excellent guide for us during the year. It reminds us that people are empowered by learning and we should try to have faith that we can use this learning and our hopeful attitude to make a difference in the world. When we are passionate about issues or learning, then action seems so much easier.

I thank the staff for their passion, dedication and commitment and acknowledge the support provided by the Advisory Council and various Advisory Groups. The great interest and support from Parents/Guardians throughout the year provided great encouragement to their children and certainly helped students with their learning. One of the very special qualities of Mount Lilydale Mercy College is the friendliness, energy and enthusiasm of the students. They help to bring joy to us all. I would like to thank parents/guardians, students, chaplains, Council members and staff for their commitment during 2010. Special thanks to Father Andrew Jekot for his 13 years of service as a Chaplin and we wish him well as he takes up his new appointment.

AWARD WINNERS

Congratulations to Award Winners. Senior Award Winners have been acknowledged in previous newsletters with Years 9, 8 and 7 Award Winners acknowledged in this Newsletter.

We acknowledge the Wurundjeri people who are the Traditional Custodians of this Land. We pay respect to the Elders both past and present of the Kulin Nation and extend that respect to other Indigenous Australians.
Changes in Staff
On behalf of our Community, I would like to say farewell and a special thank you to several staff who will be leaving us at the end of the year. The following people have resigned or have completed their contract of employment at the College:

- Michael McLendon (26 years), Andrew Feher (24 years), Deborah McKenzie (17.5 years), Lillian Zammichelli (14 years), Tania Bell (11.6 years), Darren Egberts (9 years), Angela Pradel (9 years), Jennifer Trodden (6 years), Pauline Hosking (3.4 years), Vanessa Williams (3.2 years), Desiree de Waal (3 years), Leanne Mutsaers (2 years), Michelle Maguire (1 year), Lynne Blackshaw (1 year), Jeremy Shub (1 year), Trevor Murray (6 months). Each of these people have made outstanding contributions to the College, some for a very long time. Some have held positions of great influence and have used their skills and knowledge to empower others but all have provided great commitment and dedication and they have shared so many of their own personal qualities with students and been excellent role models.

I also take this opportunity to thank Rebecca Bennett and Daniel Tomada, who have been working as Trainees during the year. James Anderson, (ICT Technician) will be returning to his full-time studies at Swinburne University in 2011. Valentina Bonnatti (LOTE Language Assistant) will be leaving us to further her language studies at another school. I wish them well as they further their studies in 2011.

I wish Mrs Urszula Faulkner every best wish as she prepares for the birth of her second child. She will be on maternity leave for Semester 1.

The staff at Mount Lilydale Mercy College have continued to give so generously of their time in and out of official school hours as they strive to live out their mission to provide the best opportunities for students. We have teachers helping students with their work; staff assisting student with a wide range of Co-curricula activities; staff providing social justice opportunities to help students live out the Gospel and teachers conducting after school and holiday classes and exams. My sincere thanks to all teachers and staff who contribute to the development of students in so many ways.

Parents and Friends’ Association
The relatively small group of parents who comprise the membership of the Parents and Friends’ Association have continued to provide great support to our community through the second-hand uniform shop and the second-hand book exchange, the meals and refreshments on Mercy Day, the organisation of the Debutante Balls and Reading Matters, the provision of refreshments at the Transition Evenings and other special functions. In addition, they have contributed financially to the College through the donation of equipment for classrooms and scholarships for students. We all benefit from their dedication and I thank them on behalf of our community.

Parental Support
The partnership between the staff and parents is a key factor in the students of the College being so happy and engaged. Some parents are not able to spend time at the College but their conversations around the dinner table about education and the daily life of their children conveys a very positive message to them about the value of a Catholic education. In addition, parents have continued to provide assistance as part of the Organisational Skills Program; as Assistants in specialist classes; as members of the Parents and Friends’ Association, as members of the College Advisory Council and its various Sub-Committees such as Building and Planning, Business and Finance and Policy and Curriculum and through attendance at Information Sessions, Student Progress Interviews and Award Ceremonies. I thank you all for your support in 2010 and look forward to your ongoing support during 2011.

Uniform Requirements
A special letter to parents/guardians relating to uniform is attached to this Newsletter. Parents/guardians and students are asked to take special note of these regulations and note the changes that have been introduced for 2011.

February is the only month when the blazer need not be worn to and from school. However, the jumper CANNOT be worn as the outer garment whilst travelling to and from school.

Night of Excellence
The Night of Excellence is an opportunity for our community to acknowledge the most outstanding levels of achievement by students during the year. When students see others being acknowledged for excellence they are encouraged to commit themselves to excellence and so attendance may act as an incentive for even greater commitment in 2011, so please attend this ceremony with your children. The ceremony will be held on Monday 13 December in the Doyle Centre. Parents/guardians and students are asked to be seated by 7.15pm.

Coolock ’10 Correction
Unfortunately, this year’s Coolock has a serious error printed on page 114. The Debating/Public speaking article was not written by Mrs Marlya MacNeill, nor did she have the opportunity to proofread the article. Mrs MacNeill is the Debating Coordinator but the article was in fact written by the Debating and Public Speaking Prefect.

On behalf of the College I apologise to the students who participated in Debating and Public Speaking this year and Mrs MacNeill for comments in the article that would be inappropriate if written by a teacher.

Please Pray
Your prayers are requested for the repose of the soul Shantelle Ebony Roworth, the 16 year old sister of Imogen Roworth of Year 7. Our prayers and support go out to Shantelle’s family and I ask that we all keep the family in our prayers at Christmas time. I am the resurrection and the life, says the Lord. Anyone who believes in me will have eternal life.

College Dates for 2011
Please take note of the special circular of important dates for Term 1 2011. I suggest that you place this on a noticeboard or on the fridge so that it is available in January 2011. The full School Calendar will be available for parents on the College website/newsletter by February 2011.

Reports
Reports are included in this mail-out. If you would like to clarify any point made by a teacher, please telephone prior to Thursday afternoon or on Monday 13 December. Due to special activities, teachers are unlikely to be able to respond to any requests for advice on Friday 10 December.

Office Closure
Please note that the college office will close on Friday 17 December and reopen on Monday 17 January 2011.

PARENTS AND FRIENDS

FROM THE LEARNING COORDINATOR 10-12

This past week saw the end of the Transition Programs for 2011 Year 11 and 12 VCE students, first with the four day program for the Units 3 & 4 subjects and then with the two-day program for the Units 1 & 2 subjects. Students were provided with information about the content and assessment for each subject, as well as introductory activities and lessons to prepare them for 2011. Along with any holiday homework students were given to help with the preparation for classes next year, there are a number of organisations and universities that offer summer school programs designed to give students a head start to their Units 1 & 2 or Units 3 & 4 studies.

Some of these organisations include TSSM, Neap, Access Education, The School for Excellence (tsfx), and there is also a program through the University of Melbourne. They offer programs at various times through January for a range of subjects. Each of these organisations have websites that provide further details on their particular programs and enrolment options.

SPORTS REPORT

Sport – Monday 6 December
This year has been a wonderful year for Sport at Mount Lilydale Mercy College. In fact, it has been one of our most successful years in recent times, in terms of the number of students who have represented the school in sports teams and squads and also the number of premierships won by our EISM teams. We have by far been one of the best (if not the best) schools in the EISM, and this is a credit to the students who represent our college with pride, dedication and sportsmanship. I would like to congratulate all students who have contributed to the sports program this year. Thanks also to the staff who have supported our students, through team selections, lunchtime trainings and late returns in rain, hail and/or shine. Good luck to you all for next year, may it be even bigger and better.
