“A man named John was sent from God. He came for testimony, to testify to the light, so that all might believe through him.”

John 1:6-7

John the Baptist was a witness for Jesus. He gave witness to Jesus, the Light of the world. He testified by his life and his words. John did not pretend to be the Messiah. He did not try to call people to himself. He was always pointing the way to Jesus. We too are called to be witnesses to Jesus. We too are sent from God to testify to the Light. And how do we do that?

Gaudete Week
Our week begins with “Gaudete Sunday.” Gaudete means “rejoice” in Latin. It comes from the first word of the Entrance antiphon on Sunday. The spirit of joy that begins this week comes from the words of Paul, “The Lord is near.” This joyful spirit is marked by the third candle of our Advent wreath, which is rose colored, and the rose colored vestments often used at the Eucharist.

The second part of Advent begins on December 17th each year - this year, in 2013, it is Tuesday of the Third Week of Advent. For the last eight days before Christmas, the plan of the readings changes. The first readings are still from the prophesies, but now the gospels are from the infancy narratives of Matthew and Luke. We read the stories of faithful women and men who prepared the way for our salvation. We enter into the story of how Jesus’ life began. These stories are filled with hints of what his life will mean for us. Faith and generosity overcome impossibility. Poverty and persecution reveal glory.

PRAYER FOR JOY

Father, thank you for giving us joy! Oh help us to experience it all day long. Let us face the day and choose to focus on whatever brings a smile to our face, and ignore the other stuff. We want a good life Lord, help us to choose it! Amen

What a beautiful way You work. Just like lifting weights makes us physically stronger; each person, thing, or event that we choose to smile at today Lord, makes us mentally and spiritually stronger.

I choose to smile at my coffee maker this morning... ready to energize me for the day!

I choose to smile at the pile of laundry because it reminds me of the blessing of my children.

I choose to smile at the pile of dishes in my sink because it means I have family to cook for.

I choose to smile at the people that God has put in my path today, after all they are his children that just want a good life too...

What will you choose to smile at today?
Dear Members of our Mount Lilydale Mercy College Community

This being the last newsletter for the year and with it being posted with reports, it is more a round up of information and publication of information rather than the normal weekly newsletter that we would publish to you, however, it does contain some important features.

Firstly it highlights the great events of the last weeks of Term, one of which is the Award Ceremonies. The lists of awardees for academic and merit awards at each year level is published here so that the work, effort and accomplishment of all our students is recognised and applauded, remembering that each of us has been blessed with different talents. Students should take pride and be congratulated for what has been achieved rather than concentrating on what has not. Development and betterment of personal skill sets for each and every one of us must be the aim. Congratulations to all involved in the awards ceremonies and to the many parents and families that supported them.

Equally important, I was privileged to attend the final mass for the year with each year level and was both pleased and proud of the special celebrations that were experienced. I am grateful to all the students and staff that worked to make these Eucharistic celebrations of thanks in genuine community.

We farewell the following staff members and thank them for their years of service to our College: Anthony Schepis (16 years), Janine Biggin (6 years) and Karen Myers (5 years).

We also thank the following staff who will be finishing their contracts of employment at the College this week: Louise Brealey (2 ½ years), Sam Murphy (1 ½ years), Danielle Jones (1 year), Daniel Dickson (1 year), Jo Van der Linden (1 year), Hannah Dowling (1 year), Anne Grieves (4 months), Thalia Natsioulas (1 term) and Matthew Hufer (1 term).

The following staff will be on leave during 2014: Adrian Reilly (1 year), Sarah Sheldon (1 year), Glenda Tobias (terms 1 & 2), Tania Hawthorne (terms 1 & 2), and Magda Pisotek (term 1). We wish them well during their time off.

Thank you also to Ann Newcomb, who has contributed to different Advisory Groups at the College for the past 17 years. Ann will be finishing up on the Policy & Curriculum Advisory Group this year. We thank Ann for her years of service to our College.

Andrew Sherman will also be finishing up as an Advisory Council member this year. Andrew joined the Advisory Council in 2009, and prior to this was a part of the Building & Planning Committee from 2007 – 2009. We thank Andrew for his years of service to our College.

Finally and most importantly I would like to thank all the parents, guardians and extended families that have supported Mount Lilydale Mercy College this year. Education of our youth is a collaborative effort especially when the values that we uphold often seem counter cultural. We are honoured and grateful to be entrusted with a most precious gift, the education of your children.

May Christ be central to your families this Christmas and may you all have a happy, peaceful and safe holiday.

God bless

Philip A Morison
Principal
Congratulations to all our students on the way they conducted themselves during such a busy time with concluding classes, academic foundation programs, exams, award ceremonies and special programs. A special note of achievement to students who aspired to do their best this year and challenge themselves to use the gifts God has given them.

Reports for Years 7 to 11 will be mailed out on 9 December. Teachers will be available to be contacted at the college until December 16 to discuss any aspect of the reports. Year 12 VCAA ATAR results will be published on 16 December.

Our Annual Night of Excellence will be held in the Doyle Centre on the evening of Monday 16 December. Students receiving awards will receive notification. It is an expectation that students attend on the evening to receive their award. Students are required to RSVP for this event.

I wish everyone a safe and enjoyable Christmas; a time to celebrate the love of Jesus and God with and through time with our families.

Deputy Principal - Studies

In September, two of our Year 10 students - Dylan Doherty (10 PU) and Jordan Sibberras (10 GO) participated in the third heat of this contest.

They were sponsored to participate by my Rotary Club (Montrose & District). Sarah Byrne (11 GO) a runner-up in last year's contest, has been absolutely invaluable in helping prepare both students.

Both boys did very well and Jordan was one of three selected, from 12 students, to go through to the semi-final in October and then to the Grand Final held on 2 December.

The standard of competition for the final was very high and the judges had a very difficult decision to make and Jordan was a very worthy runner up in this contest. It was wonderful to see him supported by so many family members and we all had a very rewarding evening.

Congratulations to both Dylan and Jordan for being prepared to take the time to prepare for the contest and also to Sarah Byrne for being willing to help the boys prepare for the contest. It is very rewarding to work with the students in our school – they appreciate their opportunities and give back to others when an opportunity to do so presents itself.

GOOD NEWS FROM MALAWI – UPDATE

As you may remember, our school has supported a school in Malawi (All Angels, Nkwanda, Senga Bay, on the shore of Lake Malawi) since 2008 and provided scholarship opportunities for girls to attend high school which they would not otherwise have been able to do.

The catalyst for my involvement with Malawi arose from a personal response to my return for a high school reunion after leaving in March 1964. Coincidentally, a Year 12 student from my 2008 12 Blue Homeroom, was distraught by the disparity between Infant Mortality and Life Expectancy figures between Australia and Africa. She came to me to see if we, as a homeroom, could do something to help.

I told her about my plan to return to Malawi and the desire to help with education in some way. In many poor countries, boys are educated before girls as they are expected to provide income for families. In Malawi, a school has to reach minimum standards before it can be accredited and then receive some support from the government. Students have to sit an exam to enter high school and they can only do that in an accredited school. There are not enough government schools for the number of children so there is something of ‘catch 22’ about it all.

Our individual accidents of birth give some of us so much and others so little. I believe passionately that we have an obligation to try to redress the balance. My study and teaching of Human Rights, Social Justice and Development principles has been the guide in all matters related to supporting the education and local development in Malawi. It has long been recognised that the way to improve health and life expectancy in such countries is through education, particularly of the women.

Our initial fundraising frenzy (school, parish, Rotary, family & friends) resulted in me being able to take $A 5,900.00) with me and it was put to very good use. We met with the leaders of the school and church community to see what their priorities were and to work with them. Sandy Wynne-Jones, a school friend has lived there all his life and is well known in the community so he is able to ensure that materials are supplied at a good price and that the work is done within the agreed time. The church and school community are involved in helping keep costs down so that more can be done. The money is spent locally which improves the local economy of which assists in developing the community.

In 2010, 12 Blue wanted to conduct a fundraising campaign for scholarships. “Food for Thought” – advised that target needs to be in blocks of $800.00 (one girl for four years). In the same year 9 Orange led fundraising for girls toilets to be constructed which happened later in the year.

In 2010, Mount Lilydale Mercy College sponsored a girl (Serra) to attend high school – Serra, with two others, will finish in 2014. They will be the first girls from the village to complete high school. The fees for Serra’s school were lower than anticipated so the funds raised in 2010 have been able to enable a second girl (Lucy) to start high school a couple of months ago.

I treasure the enthusiasm and support of the students and staff who have participated in this small but life-changing project in a beautiful but very small and exceptionally poor country. Malawi slips under the radar for many reasons – thank you so much for helping redress the balance in the ways we have. I know, too, that the local people (All Angels Parish and Community) appreciate our support more than words can say – they are amazed that people who do not know them will do so much to support them – thank you from them too.

THE FINAL SIREN

The final siren has sounded, the last whistle has been blown and sport at Mount Lilydale is over for another year. Another year of excellent individual and team efforts has demonstrated the wonderful pool of talents here at the College. The contribution of students and staff at swimming, athletics and cross country, at all levels, has been wonderful.

It has been a privilege to receive all of the emails detailing the achievements of our students. From cheerleading to equestrian to martial arts to acrobatics and bike riding, there are hundreds of wonderful competitors here at Mount Lilydale. Our staff are also highly competitive in their chosen fields: running, swimming, volleyball and many other sports. The amount of talent here at the College is amazing.

A special congratulations to all of our Premiers from EISM sport this year:

Year 9 Girls Football
Year 9 Girls Lawn Bowls
Year 9 Girls Badminton
Year 9 Girls Hockey
Year 9 Boys Netball B

Each of these teams has shown commitment and determination throughout their respective seasons. Some games were close and hard won, other matches showed our teams to be the strongest and fittest. Well done to all of our students that competed in EISM sport across five year levels and three seasons.

Overall, an excellent effort by all staff and students this year. Good job and let's look forward to another amazing year in 2014.
