We pray and ask you to remember the sorrowful and suffering in your heart, to take their petitions to God, and to comfort them in their agonizing abandonment.

We pray that your love may touch their soul and that they will realize that they are not alone.

O Mother of Mercy, look kindly upon those who are suffering physically, spiritually, mentally, and be with them so that they may know God's great mercy through you.

O Mary, Our Lady, Mother of Mercy, with hope we call on thee.”

FROM THE PRINCIPAL’S DESK

Dear Members of the Mount Lilydale Mercy College Community

Welcome to September, the season of Spring and the last newsletter for Term 3. Over this weekend past, two significant events happened.

The first is Father’s Day whose passing is worthy of noting and I do so by offering a simple poem:

What Makes a Dad
God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,
The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle’s flight,
The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need,
Then God combined these qualities,
When there was nothing more to add,
He knew His masterpiece was complete,
And so, He called it … Dad

Author Unknown

I hope all fathers, grandfathers and male care givers within our community were spoilt just a little bit more with a special focus for the day. Happy Fathers Day.

The second was a great event in the canonisation of Blessed Mother Teresa to become St Teresa of Calcutta and indeed hers is a true story of love. She was born Anjese Gonxhe Bojanxhiu in the Balkans, but at the age of 18 left her family and home to travel to Ireland to become a Loretto Sister. Only a year later with the adopted name of Mother Therese of Lisieux, the Patron Saint of Missionaries, she was working in India. In 1946, Jesus asked her to leave the convent and to work and live with the poor. She did so and founded the Missionaries of Charity, who continue to work with the poor around the world. She died in 1997 in India.

We need to find God, and He cannot be found in noise and restlessness. God is the friend of silence. See how nature -- trees, flowers, grass -- grows in silence; see the stars, the moon and the sun, how they move in silence. We need silence to be able to touch souls. Blessed Mother Teresa.

In recent newsletters I have published for you Mount Lilydale Mercy College’s commitment to Child Safety, and how the College has gone about the process of meeting the legislative requirements particularly those contained within the Victorian Child Safe Standards and Ministerial Order N0 870. Whilst as a College we are compliant, we continue to evaluate and rewrite College policy, protocols and processes to ensure that we live up to the spirit of the legislation and more importantly to respect each individual as created in the image and likeness of God. As a part of this on going commitment and development to provide a safe and nurturing environment, the College acknowledges that this week is National Child Protection Week which has as its theme: Protecting children is everyone’s business: with the accompanying theme Stronger communities, safer children.

We strongly believe that the best way to ensure that our students at MLMC are protected is with a strong connection to their community in which each is valued. We will continue to evaluate.

In this newsletter you will find an advertisement for a Young Carer Bursary Program which provides grants to young people who are providing care for family members or friends, with the aim of seeking to relieve the financial pressure so that they can continue to study or undertake part time employment. For students to be eligible they must be aged between 12 – 25, still studying and providing care. For 2017 bursaries of $3,000 are available. Please encourage any young carers that you are aware of to apply.

In this newsletter you will also find an advertisement for a one day conference, Resilient Kids, on 10 September. Given the letter that I wrote to you last week about a sinister website, I thought that this might be of interest. Topics include: online safety, building resilience, raising happy children, anxiety and mental health, and sexualisation of children. There are some excellent speakers and a number of our staff will be in attendance. You might consider it next weekend.
The end of the term fast approaches and I look forward to many activities associated with it, but particularly the Student Progress Interviews tomorrow and Mercy Day at the end of this week.

I would also like to inform you that I will be taking two weeks long service leave at the beginning of next term and Michael Johnston will be the Acting Principal in my absence.

God Bless

STUDENT FREE DAY / STUDENT PROGRESS INTERVIEWS

A final reminder that Tuesday, 6 September is a student free day for all year levels due to Student Progress Interviews being conducted. These interviews are an opportunity to receive feedback based on the Interim Reports, as well as results posted on the Parent Access Module. Thank you to the many parents who attended the Unit 4 Student Progress Interviews last week.

EXCERSION PERMISSIONS

Parents would be aware that permission for students to attend excursions is gained via the Parent Portal. Only when approval is granted can a student accompany a group off campus. In order to facilitate the necessary paperwork that staff must take with them on excursion we need parents to have granted this approval at least two days prior to the excursion. Chasing up permission on the morning of an excursion can prove difficult and time consuming and can result in a student not attending the excursion. If for example, an excursion is scheduled for a Wednesday we would ask that approval is granted via the Parent Portal by the end of the school day on the Monday. Thank you for your support with this. It is also timely to remind parents to ensure medical and emergency contact details are kept up to date via the Docs tab on the Parent Portal.

UNIT 4 TRIAL EXAMS

Trial exams will be conducted for Unit 4 subjects in the second week of the school holidays - Monday, 26 September to Thursday, 29 September. A reminder that the Barak Library will be open across both weeks of the school holidays.

ITALY STUDY TOUR / CENTRAL AUSTRALIA AND TOP END TOUR

In the final week of this term there will be two very excited groups departing Melbourne. Thirty two students and four staff leave on 15 September for a three week Italy Study Tour. They will experience all the wonders of Italy as they travel through Rome, Siena, Assisi, Florence, Pisa and Venice, before spending ten days as part of our sister school community in Casale Monferrato in the Piemonte region of northern Italy. On 16 September a group of forty four students and five staff will leave for the annual Central Australia/Top End Tour. We wish both groups a safe and enjoyable experience and look forward to hearing stories of their adventures when they return.

TERM 3 / TERM 4

Term 3 concludes at 2.35pm on Friday, 16 September. Term 4 commences for all students on Monday, 3 October.

MERCY WORKS
SISTERS OF MERCY OF AUSTRALIA & PAPUA NEW GUINEA

On Mercy Day, we commemorate the founding of the Sisters of Mercy in September 1831 and celebrate our identity as a Mercy school. On this day we raise money for Mercy Works so that the work that Catherine McAuley started can be continued here in Australia and overseas.

Mercy Works supports the development activities, local and overseas, that are part of the vision and mission of the Sisters of Mercy in Australia and Papua New Guinea. Mercy Works supports long term development projects, working with some of the most disadvantaged people in Australia and the South-East Asia Pacific region.

They work to improve health, enhance social wellbeing and expand educational opportunities in the regions they work in by engaging in partnerships with communities.

“The poor need our help today, not next week.”
- Catherine McAuley

Mercy Works programs aim to promote justice and self-reliance and to support displaced people. They endorse the principles of freedom, mutual respect, environmental sustainability, participation and protection of the rights and responsibilities of all.

MERCY DAY DONATIONS

Last year the Mercy day Op-Shop in the Youth Ministry Lounge raised over $350 for Mercy Works thanks to generous donations from the community! In preparation for Mercy Day 2016 we are looking for the following items for the Op-Shop:

- Second hand accessories, gift items, ornaments and trinkets (no clothing please)
- Empty jars of any size
- Small prizes (stationery, cosmetics, individually wrapped lollies, jewellery) to put in the jars for a mystery prize game.

Please contact Genevieve Schaefer (Youth Ministry Officer) or Elizabeth Keogh at the College with any queries.

CYBER CONCERNS

Safety on the internet is a topic that is never too far from discussion in homes and schools. As a College that is committed to child safety, Mount Lilydale Mercy College continues to offer support and advice on how to best be protected from the potential dangers of the cyber world. The ultimate reality in today’s world is that we are in some ways vulnerable to the actions of others.

As indicated in a letter recently sent to you by our Principal, Mr Morison, we recommend you remain vigilant, in open conversation with your children and proactive in alerting the police to any concerns you have. May I also recommend the eSafety website that has useful information that may prove to be insightful and an avenue to engage in discussions with you children. The link to the webpage is https://www.esafety.gov.au

Please remember we are of service to you if you need support.

NEXT PARENT SEMINAR EVENING

Following the successful Parent Seminar in June, the Counselling team have put together another information evening around the topic of Drug Awareness and the problem of drug use in society. It will be held in Centennial Hall on Tuesday 11 October, 7.30–9.00 pm.

The night will take the form of a Q and A setup that will discuss a variety of scenarios and include representatives from the

• Victoria Police
• Youth Alcohol and Other Drugs Clinician from EACH
• School representatives from Mount Lilydale Mercy College
• Young people’s voice - representatives from Year 12 students

In an attempt to make the night interactive and engaging, we are inviting you to send in questions that we can provide information to on the night. If you would like to take up this offer, send your question to ttasipoulos@mlmc.vic.edu.au

UNIFORM

From the beginning of Term 4 students may choose between summer and winter uniform. Please ensure the dress length for girls is the appropriate length - our uniform regulation states that the girls summer uniform must be worn to knee length. The choice of uniform will continue until Melbourne Cup weekend, after which time summer uniform will be compulsory. As part of our Sunsmart policy it is a requirement that students wear hats at recess and lunch throughout this term. Please ensure your child has the school bucket hat. Winter uniform is compulsory until the end of Term 3. A timely reminder about hairstyles. Boys in particular who choose to have the longer hairstyles need to have it tied back if it is at collar length. It needs to be kept well off the face and should be clean and tidy. Failure to respond to requests to abide by this uniform regulation will be followed up by Campus Directors.

ICE HOCKEY SUCCESS!

Congratulations to Lochie Cincotta from 7 White. Lochie was chosen to represent Victoria for the Ginsberg tournament, despite only having played Ice Hockey for 12 months. This is a huge testament to his ability and his commitment to the sport. In the tournament Lochie defended strongly. He also managed to score 4 goals and an assist in one game, as well as protecting his own goalie. Lochie trains 3 times a week and plays every weekend. He must love the sport if he is on the ice at 6 am on a Sunday!

STUDENT REPRESENTATIVE COUNCIL - YEAR 7 MEMBERS

Congratulations to the three students elected to the SRC as representatives of Year 7. Brianna Moore, Katelyn Ruscitti and Connor Taylor impressed the Year 12 students conducting the interviews and are sure to make many valuable contributions to this important group. They displayed their outstanding leadership skills when they ran our last Year 7 Assembly. Well done – we are all very proud of you.
Six bags of footy boots were sent to Jigalong in Term 3. School Principal, Mr Shane Wilson, wished to thank those involved.

"On behalf of the students of Jigalong RCS, we would like to sincerely thank you for your kind donations of the footy boots that all students absolutely love! I attach a photo we took of some of our students wearing the boots. Thank you to Mount Lilydale and the Box Hill Hawks VFL team for thinking of us. We hope to visit you when we visit Melbourne next year. I have indicated to our school community your 'community connection' program where you recycle footy boots and donate them to an organisation that can use them."

A big thanks to all those who helped out.

REACH FOUNDATION PROGRAM

The Reach Foundation has been running since 1994, and was created by cofounders Jim Stynes and Paul Currie. This program is designed to inspire and motivate young people, not only to be themselves, but to prove to themselves that they are beautiful. The aim is to get the most out of the children who participate. On the 28 July, the Year 9 level took part in the program. Two wonderful people visited us, Lou and Adam, both of which were excitable and motivational. Two programs were run, one was gender specific. The girls entered the McAuley hall where we sat down and were introduced to the leaders. We discussed our comfort zones, confidence and our worries about school. It was an emotional rollercoaster for many of the girls. There were many tears involved and overall it was a beautiful experience. Unfortunately, due to being female, the boys session is completely confidential.

The second half of the program was run by Mr Hill, Mr Gray, Mr Trevitt (counsellor at MLMC) and some past Year 9 students. We were fortunate to also have our female school captain, Annabelle Weinberg, speak to us. We confabulated resilience, courage and persistence during this presentation which was held in the lecture theater. Many great points were raised and it was a successful day. The Year 9s thoroughly enjoyed the day.

CAMPS, SPORTS & EXCURSIONS FUND DAIRY ASSISTANCE FUNDING

The Victorian Government have implemented a response package to assist dairy farming families. The dairy assistance payment is a one-off amount of $375 per student that will be paid to schools, where one or both parents:

- Own an operating dairy farm
- Are share farmers on a property primarily operating as a dairy farm
- Hold a lease for an operating dairy farm
- Work as an employee on an operating dairy farm and this is their main source of employment.

Families that have previously qualified for the 2016 CSEF Drought Assistance are not able to also access the CSEF Dairy Assistance funding. To apply, parents should complete the CSEF Dairy Assistance application form available on our website http://web.mlclilydale.catholic.edu.au/?p=parentnews and return it to the College Finance Office.

FINAL APPLICATIONS CLOSE ON 18 November 2016.

NB: Late applications cannot be accepted.
Funding will be applied to your College School Fees
On the 16 August, all three Year 11 VCE Psychology classes, including the Year 10 VCE Psychology class, were lucky enough to be given the opportunity to visit the Melbourne Zoo to discover and learn about the way psychology is used in caring for animals and socially within the zoo.

In the first workshop we learnt about how important it is for different animals to have different climates, environments and eating times in their enclosures, as this impacts on their cognitive development. We were taught about the importance of preserving and helping the endangered species so that they are at a lower risk of becoming extinct and worked in groups to openly discuss our thoughts on this.

We also had the chance to observe the Orangutans in their enclosures and then were lucky enough to participate in another workshop that focused on Human Behaviour Change and the current campaign "Don't Palm Us Off" created by Victoria Zoo. This workshop was more about how the Zoo uses social psychology to draw attention to the issue to help stop the use of palm oil, as this is a really large problem. Over 1,000 Orangutans a year lose their habitat, and the habitats of Sumatran Elephants and Tigers are also destroyed through unsustainable palm oil production. We were given the opportunity to sign a petition to help stop the use of unsustainable palm oil and to also spread awareness by asking for all items that contain it to be correctly labeled.

Overall this was a really fun and educational day and something that was very different to your average excursion. I just want to say on behalf of all the Year 11 and 10 VCE Psychology students, we are really grateful for this learning opportunity and we really loved it.

BOOK WEEK 2016 | AUSTRALIA: STORY COUNTRY

Between the 22 August and 26 August Mount Lilydale Mercy College celebrated Book Week. The theme for the week was ‘Australia: Story Country.’ Mount Lilydale Mercy College Libraries hosted a range of interesting activities as part of the Book Week celebrations. To tie in with the Book Week theme, members of the College pinned their name to a special place in Australia to create a ‘Where Is Your Story?’ map. Our Chess Club excitedly browsed and borrowed from a display of wonderful chess books. A small group of students eagerly participated in our mini-book making workshop and created some wonderful mini-books using only paper folding techniques. The Marvel Comic Quiz was popular with a large number of students participating. The winners of the quiz were the Odin Son team. A Coding Workshop with Mr Parlas provided students with some fabulous new tools to use when programming. McAuley Library hosted the Great Book Swap, which was organised by members of the English Department, to fundraise in support of Indigenous Literacy. Throughout the week students enjoyed answering the ‘Daily Quiz Question’ and also enjoyed learning about the winners of the Children’s Book of the Year Awards (Older Readers: Cloudwish written by Fiona Wood; Younger Readers: Soon written by Morris Gleitzman; Picture Book: Flight written by Nadia Wheatley). Thank you to everyone who participated in the Book Week activities!

VICTORIAN PREMIERS’ READING CHALLENGE UPDATE

Start counting your books because The Victorian Premiers’ Reading Challenge has finished! To complete the Challenge students need to have read 15 or more books between May and August (at least 10 books need to be from the Challenge list). Once students have completed the Challenge they need to have their books verified by the 8 September to be awarded an official certificate. Books can be verified by returning a list of all books read, signed by parents or guardians, to McAuley Library. For more information visit the VPRC Libguides page: http://libguides.mlclilydale.catholic.edu.au/c.php?g=487343, or speak with McAuley Library staff.

VICTORIAN PREMIERS’ READING CHALLENGE READER PROFILE

This week we are profiling Blake Archer from Year 7.

Dr Hamish Russell, an accredited poultry judge, recently made a visit to the Year 9 Horticulture class. It was an entertaining session from someone who has spent a lifetime looking after poultry. He concentrated his talk on Australian Poultry Standards and grading eggs. The students have been caring for baby chicks and pullets as part of their practical work for this semester.

YEAR 9 HORTICULTURE CLASS

We are very glad to announce that the 2015 Vintage Cabernet Sauvignon is now available on pre-sale. We encourage you to order quickly as stocks are limited. At an affordable price of $130 for 6 bottles, this includes a total pre-sale saving of $20. You wouldn't want to miss out on this great offer.

MLMC vintage wine has had a high success rate in the past winning a range of awards. This year’s 2015 vintage was produced by the students and has aged 12 months in a unique French oak barrel. The students have put a great amount of hard work and pride into the wine that they have produced. The 2015 Vintage official launch date will be 4 October 2016, in Term 4. Presale will be available to collect on this date.

Pre-sales of our 2015 vintage are still available, but hurry as stocks are limited. Profits go towards supporting the program. Contact Cathy Pote by phone or email at cpote@mlmc.vic.edu.au to place your advance order.

Attention Year 11 Students

The Annual Lord and Lady Somer’s Camps are now open for applications. Each year the Rotary Club of Healesville in conjunction with the O.T.U. (Officer’s Training Unit) sponsor two Year 11 girls and two Year 11 boys for a week at Somers. The experience is sensational if you can go by the responses from all the participants that we have sent over the years.

The Camp is held separately for Boys and Girls and runs for a week in January (Boys 7-14 January 2017 | Girls 15-21 January 2017).

The camp called “Big Camp” is like no other and challenges the participants to the maximum. It is an ideal way to prepare for Year 12. This year’s school captain Anabelle Weinberg was ecstatic about its value and enthusiastically features on a video clip promoting the camp. If you have any doubts about applying, ask Anabelle or Nicole Roberts two of last year’s sponsored participants and they will certainly encourage you to apply or see Mr. Hill for more details.

Applications close Friday 16 September - to apply go online to www.lscph.org.au

Are you, or do you know a woman over 50 years of age?

Have you had a breast screen within the last two years?

Make it a priority before or during this September break!

- 1 in 8 women will get breast cancer
- 75% of women diagnosed with breast cancer are over the age of 50
- It takes only 10 minutes, it’s with a woman and is free
- Early detection gives women the best chance of successful treatment and recovery
